This service is **free to all students that are enrolled in Ecampus courses** and they have access to all NetTutor Groups.

On campus students can who are enrolled in Ecampus courses can use this service for their on campus course. A Message from the MVR Advisor

I hope this edition finds you all well and continuing to drive on, you’re almost halfway through the term. As we continue to strive to improve benefits and services for the military and veteran community I need your assistance.

Please take the time to take the surveys, make the SVA meetings, email myself or the SVA your ideas, let your voice be heard. It doesn’t matter if you are on the Corvallis, Bend, or Newport campuses or completely online. The MVR office and the SVA at Oregon State are here to work for your interests.
