The Malheur National Forest will soon be advertising for (2) GS-462-06/07, Permanent Seasonal (18/24). Timber Sale Harvest Inspectors. If interested in further information, contact Arnie Cole, 541-575-3340, or e-mail at acole@fs.fed.us. Please note: The purpose of this Outreach Notice is to determine the potential applicant pool for this position and to establish the appropriate recruitment method and area of consideration for the advertisement (i.e., government-wide, open to the public). Responses received from this outreach notice will be used to make this determination.

The Position: The incumbent will be a Harvest Inspector for Timber Sale Administrators on timber sale contracts. Monitors and inspects timber sale operations having conventional contract requirements and conditions. Informs supervisor of problems that have an effect on other forest resources or accuracy of marking and timber sale operations. Inspects operations on timber sales areas for compliance with contract provisions fire prevention, personal safety precautions, and cutting provisions. Obtains compliance or reports noncompliance to supervisor. Prepares written reports of all sale inspections and makes follow-ups on deficiencies. This is a challenging, Harvest Inspector position that will provide development of valuable skills for those looking for careers in sale administration.

The Home Front
The Malheur National Forest is nestled among the majestic Blue Mountains of Eastern Oregon, encompassing more than a million and half acres of wilderness, grasslands, forest, and riparian ecosystems. The Malheur National Forest affords unique opportunities for quality of home life, recreation, personal development, and challenging work assignments.

Hines Community:
