VA and Military Updates:

Raytheon-SVA Scholarship
Student Veterans of America & Raytheon have partnered to provide three $10,000 STEM scholarships to student veterans! Eligible students must be pursuing a bachelor’s or graduate degree in science, technology, engineering, or math. Students in these fields are essential to our future success as a nation, and have the potential to usher in a new generation of American progress. Eligible student veterans must complete an online application, answer two essay questions, attach the required documents, and have one letter of reference be submitted prior to the deadline to be considered.

Visit their website for the full scholarship requirements and application.

American Red Cross Positions
When you're committed to providing relief and hope to millions of people around the world every day, you need the support of others who share that dedication and who want to contribute to it. That's why the American Red Cross has always been there for others, because you are there for us. As one of the nation's leading nonprofit organizations, we attract talented, motivated and enthusiastic people who make our mission to save lives a reality and who experience the greatness of the human spirit at its best.
If you know a candidate that may help us fill our positions I would appreciate it if you are able to direct them how to apply via our career center: www.americanredcross.apply2jobs.com. (See attached flyer for directions)

Our humanitarian mission connects us to people and communities across the nation and around the world. We are committed to the diversity of our people, programs and services, and we are proud to be an equal opportunity employer. The organization acts affirmatively in the employment and advancement of qualified women, minority group members, disabled veterans, Vietnam-era veterans, other covered veterans and those individuals who are physically and/or mentally disabled and otherwise qualified.
