...OREGON STATE UNIVERSITY
Joining a fraternity or sorority can be one of the best ways to find your “home away from home” at Oregon State and make a large campus feel much smaller. There are 46 chapters on campus that are a member of one of five communities, the Collective Greek Council (CGC), Interfraternity Council (IFC), the National Pan-Hellenic Council (NPHC), the Panhellenic Council (PHC), or the Multicultural Greek Council (MGC). We believe there is a place for everyone in our diverse community of over 2,500 students. Fraternities and sororities have a rich history at OSU and have been on campus for over 139 years. The first national organization, Alpha Tau Omega, was established on campus in 1882.

Our community shares several core principles: Friendship, Scholarship, Leadership, Inclusivity, Philanthropy and Service. The community shared vision statement is: “United by a common bond, we are a diverse community dedicated to scholarship, leadership and service.” Our members live these values each day and strive toward this vision in the events and programs they plan and in the membership experiences our chapters offer. Membership in a fraternity or sorority not only allows you to get more involved at OSU, but also within the local Corvallis community. Studies show that students who are engaged with student organizations, like fraternities and sororities, are more successful academically and are more likely to graduate.

College is a time to build memories and gain friends that will last a lifetime. We know that college is full of choices, and we are glad you’ve made the choice to get to know our chapters. We urge you to get to know our organizations for yourself and make the best decision for you about which group to join.

Please take time to browse through this publication and acquaint yourself with all that fraternity and sorority life has to offer. If you’re still not sure if ‘going Greek’ is right for you, we encourage you to learn more about these organizations by checking out the fall recruitment/membership intake processes.

For over a century, both OSU and fraternities & sororities have benefited from the mutual relationship shared between the community and the institution. Fraternities and sororities provide a valuable component of the undergraduate experience and complement the curricular and co-curricular aims of the University. Fraternities and sororities recognized by OSU are expected to maintain this history of positive contribution by conducting themselves in accordance with the shared values and expectations of their affiliate inter/national organizations and the University. The fraternities and sororities listed in this booklet are the only social fraternities and sororities recognized by and in good standing with Oregon State University.

A Relationship Statement is executed annually between OSU and its fraternities and sororities. This document formalizes the shared values and expectations that are instrumental in ensuring a mutually beneficial relationship between all parties.

This Relationship Statement serves as the basis for ensuring the positive presence and continued contributions of fraternities and sororities at Oregon State University, and that each is working collaboratively to enable each other to meet and exceed their individual missions and goals. To view the full text of this agreement, visit oregonsate.edu/cfl.

The specific areas and criteria addressed in the Relationship Statement are listed below the photo.
Scholarship
Fraternities and sororities at Oregon State University strive for academic excellence. Each chapter has specific grade requirements for students to achieve and maintain active membership and provides their members with resources to promote academic success. Fraternity and sorority membership offers many options to help new members transition academically from high school to college, including educational programs and workshops, study hours, tutoring programs, and more. As a result, the All-Greek GPA is consistently at or above the All-Undergraduate average.

Philanthropy
Fraternities and sororities sponsor a variety of philanthropic fundraisers that raise over $160,500 annually to support local and national nonprofit organizations. These fundraisers include athletic tournaments, haunted houses, lip sync competitions, and more.

Inclusivity
United by a common bond, the OSU Greek community is a diverse community that strives for inclusivity of all people regardless of age, ethnicity, race, culture, gender identity or expression, religion, disability, veteran status or sexual orientation. We hope to promote a welcoming environment for all students on campus where all members and guests feel supported and accepted.

Community Service
In conjunction with philanthropy, each fraternity and sorority participates in numerous community service events each year to engage with the Corvallis and surrounding communities. Last year, OSU’s Fraternity and Sorority Community logged approximately 44,000 hours of community service. Commitment to civic engagement encourages growth as servant leaders and allows members to help others in the world around us.

Friendship
With a large student body at OSU, it is easy for new students to be overwhelmed with life on campus. Fraternity and sorority membership eases the transition and enriches the college experience by encouraging the development of sincere relationships within a tight-knit community of over 2,500 students. The lifelong bonds of brotherhood and sisterhood made in fraternities and sororities are unmatched by any other student organization.

Leadership
Developing leadership skills in all members is a fundamental goal of every organization. Fraternities and sororities offer a variety of leadership positions within their chapters and opportunities also exist in the Fraternity/Sorority Community at large. Members are also leaders on campus, currently holding leadership positions in over 260 student organizations at OSU.

Annual Community Programs

Governing Council Leadership:
Chapter members have the opportunity to hold leadership positions on one of the governing council executive boards within Fraternity & Sorority Life. These boards, comprised of students who are community members, are elected by their peers to govern and program on behalf of their community. These councils annually participate in national leadership conferences and work to improve the fraternity/sorority experience at OSU.

Leadership Development Programs:
Fraternity & Sorority Life annually hosts a variety of leadership development experiences, including two leadership retreats for members of the community. The Emerging Leadership Retreat is hosted each November for up-and-coming first and second year members, who engage in exploration of their own leadership goals. The President’s Leadership Retreat is hosted in January and is an overnight weekend of community building and strategic planning for all chapter presidents and governing council officers.

Greek Week:
Fraternities and sororities have been a part of the Oregon State University (OSU) community for over 100 years and Greek Week serves as a celebration of everything fraternity/sorority at OSU! Fraternity & Sorority members work together to plan a week of educational programs, friendly competitions and a service activity.

6 Involvement Opportunities

Order of Omega:
Order of Omega is a national Greek Honor Society for the top 3% of fraternity men & sorority women based on the tenets of scholarship, leadership, service, and character. Order of Omega’s purpose is to recognize students who have attained a high standard of leadership within the community, to bring together those members who will help shape the community and the University, and to join faculty, alumni, and students with the intent of helping and understanding one another.

Stepping & Strolling:
Stepping and Strolling is an expressive dance form that was created by African American fraternities in the 1970s. It has been adopted by most culturally-based fraternal organizations through the years. NPHC and MGC members move together in a line expressing pride for their organization. In this line, members may show this pride through the use of their organization’s call, sign or historical information, ritual/custom dances, etc. NPHC and MGC organizations perform at annual yardshows and competitions.

All-University Sing:
Previously known as “IFC Sing”, the event originated in 1936 as a homecoming event for fraternity members at the Oregon Agricultural College. Today it is called All-University Sing, which is an annual event sponsored by the Interfraternity (IFC) & Panhellenic (PHC) councils. Sing is a song and dance competition put on by groups and organizations during the Spring Family Weekend.
As a student, Gayle Fitzpatrick ’78 learned far more than what was part of the classroom curriculum. Her day-to-day collegiate experience involved managing large groups and leading meetings. Team-building. Solving conflict. Balancing a budget. Fundraising. Networking on campus and interacting with the community.

These skills, valuable assets throughout her career in finance and high technology, were finely honed as a leader in OSU’s Greek community. President of OSU’s Alpha Rho chapter of Alpha Omicron Pi, Fitzpatrick had a great experience — so positive that she has remained a leader in her sorority. In fact, she served two, two-year terms as AOII’s international president, and is currently concluding that role as AOII’s past international president on their international executive board.

Having good leaders makes a difference for all members of a group. Fitzpatrick wants to be sure that present and future students in OSU’s fraternity/sorority community have the best possible experience. “They’ll take those experiences with them into the rest of their life,” she said.

A member of OSU’s Fraternity and Sorority Alumni & Friends board, Fitzpatrick recently made a gift establishing an endowed fund to provide leadership training for students in the Greek community – especially younger students in their second and third year. The OSU Fraternity/Sorority Community is able to annually host an institute for emerging leaders because of this generous gift.

Now living in Lake Oswego, Fitzpatrick remains closely connected to her Alpha Rho sisters, and to many other AOII members she met along the way. “When you move to a new community, look for a job, need a place to live, who do you call? Even if you haven’t met someone from another chapter, you still have the bond of being part of the same organization,” she said. “There’s a lot of intrinsic value. It’s so much more than four years of college and hanging out and having a good time.”

Excerpts taken from a Fall 2017 Oregon Stater article written by Cathleen Hockman-Wert.
Active: A fully initiated undergraduate member of a fraternity or sorority.
Alumnus/Alumna: A member of a fraternity or sorority who has graduated from college.
Bid: A formal invitation to membership in a fraternity or sorority.
Big: An initiated member of a fraternity or sorority who serves as a mentor to a
Potential/Prospective New Member, guiding them through the new member program and initiation.
Chapter: The local collegiate membership unit of a national or international fraternity or sorority.
Collective Greek Council (CGC): The governing body for academic interest-based organizations. Please refer to the OSU Code of Student Conduct for the full definition of hazing.
Initiation: A traditional ritual or formal ceremony that brings a new member into full Greek membership.
Interfraternity Council (IFC): Peer-elected governing council for traditionally housed fraternities that currently supports 22 men’s chapters at OSU.
Legacy: An immediate relative of an initiated member of a fraternity or sorority; these are almost always private and known only to initiated members of a fraternal organization.
Multicultural Greek Council (MGC): The governing body of the nine historically black Greek-letter organizations. Please refer to the OSU Code of Student Conduct for the full definition of hazing.
National Pan-Hellenic Council (NPHC): The governing body of the nine historically black African-American fraternities and sororities, also known as the “Divine Nine”.
Neophyte: A new member of a culturally-based or historically black organization which usually defines that stage between the completion of new member/pledge requirements and being initiated.
New Member: An individual who has accepted a bid to join a fraternity or sorority but who has not yet been initiated; also called an associate member.
Order of Omega: A national honor society for fraternity and sorority members who maintain a GPA above the All-Greek average, have distinguished themselves as leaders in the OSU Greek community, have exemplary character, and hold either junior or senior academic standing.
Panhellicnic Council (PHC): Peer-elected governing council for traditionally housed sororities that currently supports 11 women’s chapters at OSU.
Potential New Member (PNM): A person who is interested in joining a Greek-letter organization, and will participate in intake or recruitment.
Recruitment Counselor [Gamma Chi]: A neutral representative of a Panhellenic sorority who temporarily leaves her affiliation to guide and support PNMs through recruitment.
Ritual: The traditional rites and ceremonies of a fraternity or sorority; these are almost always private and known only to initiated members of a fraternal organization.
Saluting: A unique art of reciting information in a line formation. Members perform intense, in sync, and sharp movements with greetings attributing to others, honoring accomplishments, or cherishing the cultural history, heritage, and traditions of the organization.
Stepping: Stepping is a tradition where members synchronize their moves so that they are performing their own dance moves without music. In stepping the members will clap, stomp with their feet, jump, chant (not to be confused with saluting) and create their own beat by doing so. Stepping is traditionally done by NPHC organizations, but multicultural Greeks are also known to do it.
Strolling: Also known as party walking or ‘party walk’, is a synchronized dance performed with music by culturally based organizations.
1. What will I get from a fraternity or sorority that I would not get out of any other college organization?

Coming to college is one of the major life changes that you will go through. Joining a fraternity or sorority will help make the transition easier. Developing lifelong friendships with other chapter members helps make the campus seem smaller. For many members, these chapters become a home away from home. In addition to the brotherhood/sisterhood, every chapter is dedicated to enhancing leadership, scholarship, and philanthropy/community service.

2. How do I find the right organization for me?

The best way to find your fit is to ask current members of the organization. Recruitment events are a great way to meet people and ask questions. At the end of the day, it matters most that you find a group that you connect with and that shares similar values with you.

3. If I go through membership intake or recruitment, am I guaranteed an invitation to join a fraternity or sorority?

Just as you are looking for a perfect fit, these organizations are also looking for great individuals. Membership criteria can change from organization to organization, but all groups will have a minimum GPA requirement; some will be focusing on previous or other campus involvement, others more on community service, leadership experience, etc. The most important thing is to be your genuine self throughout the recruitment/membership intake process and the right organization for you will embrace you for who you are.

4. If I am an international student, can I join a fraternity or a sorority?

Yes, anyone who is enrolled at OSU is allowed to pursue membership through recruitment or membership intake. We welcome and encourage international students to take part in Fraternity and Sorority Life.

5. What opportunities for continued involvement are there after I graduate?

Fraternity and sorority life is a lifelong commitment with limitless opportunities. Following graduation, many organizations encourage their graduating members to join their local alumni association, as well as regional, district, or national positions and volunteer to support undergraduate members.

6. How much does it cost to join a fraternity or sorority?

During the recruitment or membership intake process, a potential member should ask members about the financial obligations and payment options. The average cost for the first term of joining an organization is usually higher due to one-time expenses and fees. For housed chapters, dues and live-in fees are usually less than the cost to live on-campus in a residence hall. On each council’s page you can see a breakdown of financial costs.

7. Do I have to go to all recruitment and membership intake events? What if I can’t make it an event?

The best way to find out if an organization is for you, is to attend as many of their events as possible. This will help you see if an organization is a good fit for you. However, it is up to you to attend or choose not attend recruitment events. You should never skip class to attend recruitment events. Your education always comes first, but always make an effort to let the chapter know ahead of time. Keep in mind, some organizations require you to meet certain criteria, for example attending an informational program, community service event, etc. before you will be eligible for membership.

8. How could the COVID-19 pandemic affect membership intake or recruitment?

The fraternity/sorority community is working to ensure that students who want to join a fraternity or sorority are able to do so in a safe way. Community leadership is monitoring university guidance on in-person events for the 2021-22 academic year and will update any plans accordingly. If there is a change to a council’s joining process or events, this information will be communicated on oregonstate.edu/cfsl so be sure to check there for the most up-to-date details!

Only 28 of our 45 chapters are housed. Unhoused chapters offer the same membership benefits as housed chapters, and generally meet in the Memorial Union, Cultural Resource Centers, and in academic buildings throughout campus. Many of our culturally-based chapters use the CRCs as a home base.
