IT TAKES A TEAM TO COMPLETE THE MISSION

Student Veterans Association at Oregon State

The Student Veterans Association is a university recognized student organization dedicated to building a community for our service members, veterans, and their families. Organizing social opportunities, promoting campus events, and advocating for military and veteran issues at the university and state level are just a few ways that they are working to making a difference for you.

Student Veterans of America

Since SVA's founding in 2008, over one million veterans have returned home to pursue a postsecondary degree or certificate using VA education benefits. To meet this need, SVA's presence at the local and national levels has grown to include over 1,300 chapter affiliates, numerous private and nonprofit partners.

Programs Include:

- Leadership Institute Series
- Scholarships
- Vet Center Initiative
- Chapter Grants

Oregon State University has a long history of military and veteran service. It dates back to 1872 when the first Cadet Corps was formed and all physically qualified young men were required to take military training.

The Memorial Union was dedicated on June 1, 1929, as a living memorial to "the service and inspiration of the living and the memory of our immortal dead," as a way to honor OSU faculty and students who took part in World War I.

During WWII OSU produced more officers than any other non-military academy in the nation, earning the nickname "The West Point of the West."

Educational Benefits

Checkpoint 1

ARE YOUR VA EDUCATIONAL BENEFITS IN ORDER?

The Veteran Certifying Officials are your connection to your VA benefit. It doesn't matter whether you are using Military Tuition Assistance (TA), Post 9/11 or Montgomery GI Bill, Vocational Rehabilitation, or a dependent benefit, they are here for you.

They are located in the Office of the Registrar, B102, Kerr Administration Building
Email: veterans@oregonstate.edu

They work hard so you don't have to. At many institutions you are required to turn in documents to the Certifying Officials every term in order to receive your benefit, not at Oregon State. They utilize available reports to make sure that your benefits are certified in a timely manner during the academic year. If you are planning on taking summer classes you will need to let them know so they can assist you to ensure your benefits pay correctly.

Apply for Financial Aid & Scholarships

Checkpoint 2

Financial Aid and Scholarships work together with your VA benefits to help finance your education. It is a common belief that there is no real benefit for you to apply, this is not the case in most situations. In most cases you receive the awarded financial aid and scholarships in addition to your VA benefits.

It pays to apply
